CAUTION: External email. Do not click links or open attachments unless you verify sender.

Just wondering if you have any information as it relates to participating in the informal resolution process. Given our time restraints we had to move forward with the investigation. We have sent out a request for information that I will have Jonathan email you as well. If WVDEP decides to attempt informal resolution, we can have you hold off on responding to the request. Hope your weekend is terrific and looking forward to hearing from you.
